HCA – Outpatients

Description

HCA – Outpatients

Private Clinic – London

£25,000 – £28,000

Full time – Permanent – Monday to Friday with an occasional Saturday

King Healthcare are currently assisting a leading private clinic in their search for a HCA. This private clinic based in Central London, with an outpatient clinic specialising in Gynae, Plastics, General etc.

The Role

This position will report into the Outpatient Sister. You will be working alongside a strong nursing team to deliver first class outpatient care to a wide variety of patients requiring different surgical specialties. You will be tasked with ensuring a seamless package of care to all patients.

This position will follow a rota over Monday to Friday often with shifts covering long days although some flexibility can be offered for the right candidate.

The Candidate

We are seeking an experienced HCA who has worked within an Outpatient setting previously. The ideal applicant will have worked within a private hospital setting across a mix of the surgical specialties mentioned above although this would be advantageous and not essential.

Salary and Benefits

The salary on offer for this position is between £25,000 – £28,000 dependent on experience. In addition are several benefits including generous annual leave, private pension scheme and private health insurance.
