

Recovery Nurse

Description

Recovery Nurse

Location: Harley Street, London

Salary: £40,000 – £42,000 dependent on experience

Contract: Full-time, Permanent

Are you an experienced **Recovery Nurse** looking for your next opportunity within a leading private surgical hospital?

We are currently recruiting for a passionate and experienced Recovery Nurse to join a prestigious private hospital based on **Harley Street, London**. The hospital is renowned for delivering exceptional patient care and offers a high-quality environment for both patients and staff.

This is an excellent opportunity to join a highly skilled theatre team and play a key role in supporting patients through their immediate post-operative recovery.

The Role

As a Recovery Nurse, you will be responsible for delivering safe, effective and compassionate care to patients following surgical procedures.

Working as part of a highly experienced multidisciplinary team, you will monitor and assess patients during their recovery from anaesthesia, ensuring their comfort, safety and wellbeing while supporting a smooth transition through the post-operative pathway.

Your responsibilities will include:

- Delivering high-quality nursing care within the post-anaesthetic recovery area
- Monitoring patients following surgical procedures and anaesthesia
- Recognising and responding appropriately to changes in patients' clinical condition
- Managing airways and supporting patients with post-operative pain and nausea
- Safely preparing patients for transfer or discharge from recovery
- Working closely with Anaesthetists, Surgeons, Theatre Practitioners and the wider clinical team
- Maintaining accurate and contemporaneous clinical documentation
- Ensuring compliance with infection prevention, patient safety and clinical governance standards
- Supporting the efficient day-to-day running of the recovery area
- Delivering an exceptional patient experience throughout the post-operative journey

To be successful in this role, you will have:

- Current **NMC registration** as a Registered Nurse
- Previous experience working within a **Recovery or Post-Anaesthetic Care Unit (PACU) environment**
- Strong clinical assessment and patient monitoring skills
- Experience caring for patients following general anaesthesia
- The ability to remain calm and effective in a fast-paced environment
- Excellent communication and interpersonal skills
- A collaborative approach to working as part of a multidisciplinary team
- A genuine commitment to delivering outstanding patient care

Experience within a private hospital setting would be advantageous; however, experienced Recovery Nurses from NHS acute hospital environments are also encouraged to apply.

The Opportunity

This is a fantastic opportunity to join a respected private surgical hospital in one of London's most prestigious healthcare locations.

You will work alongside an experienced theatre and clinical team in a professional, patient-focused environment, with the opportunity to develop your skills and contribute to the continued delivery of exceptional surgical care.

If you are an experienced **Recovery Nurse** looking for your next career opportunity in private healthcare, we would love to hear from you.
